About InvesTrade:

Established in the year 2012, Advanced InvesTrade Forum (AIF) is a knowledge sharing group consisting of Traders, Investors, Mutual Fund advisors, Stock-brokers, Research Analysts and other financial market participants. In 2017, this informal group turned into a not-for-profit company. Each AIF member follows the core principle viz. Sharing of **KEI** - **K**nowledge, **E**xperiences and **I**deas.

The forum now has local chapters in Mumbai, Gujarat, NCR and Hyderabad. With five Annual conferences, many mid-year symposiums and other programmes it has more than twenty successful knowledge sharing events to its credit. In continuation of the series, AIF's Mid-year symposium is scheduled on 24th November, 2018 at Indore, India.
